

STARTER KIT

Printable routine - scan for the full product directions

Your four-bottle routine

Wash, wheels, dressing and glass, with each product used for its own task.

Included in this kit - 4 bottles · 4 × 16 FL OZ (473 mL)

One each: ASCEND, RECLAIM, RESTORE, CLARITY - 16 FL OZ (473 mL) per bottle.

Dispensing hardware: ASCEND: supplied pour-spout cap. RECLAIM, RESTORE, CLARITY: one matching loose trigger sprayer each (3 total).

01 Clean wheels and tires

Clean wheels and tires with RECLAIM at the label's 1:20 dilution. Do not use at full strength. Apply with a brush, sponge or low-pressure sprayer, agitate, then rinse thoroughly with clean water.

02 Wash with ASCEND

Wash with ASCEND. Add 1-2 ounces to a clean 5-gallon wash bucket and fill with water under pressure. Work on a cool surface out of direct sunlight, wash from the top down, then rinse thoroughly and dry with a microfiber towel.

03 Finish the separate detail tasks

Finish the separate detail tasks: RESTORE is a ready-to-use dressing. For glass, spray CLARITY evenly and wipe with a waffle-weave glass towel.

Customer-supplied tools. Wash bucket or foam cannon, wash mitt or soft brush, brush/sponge or low-pressure sprayer, clean water, microfiber and waffle-weave glass towels. Dilution containers are also customer-supplied.

Foam-cannon mixing: The foam-cannon label lists 2-3 oz without reservoir capacity. Contact us for equipment-specific mixing guidance.

Read each product's directions and handling precautions before use. Tools, towels and dilution containers are customer-supplied.

WEEKEND KIT - NOIR - BLACK GLACIER

Printable routine - scan for the full product directions

Your wash, refresh and scent routine

Five care products and your selected fragrance: NOIR - Black Glacier.

Included in this kit - 6 bottles · 5 × 16 FL OZ (473 mL) + 1 × 8 FL OZ (236 mL)

One each: ASCEND, RECLAIM, RESTORE, READY, CLARITY - 16 FL OZ (473 mL) per bottle.

One each: NOIR - 8 FL OZ (236 mL) per bottle.

Dispensing hardware: ASCEND: supplied pour-spout cap. RECLAIM, RESTORE, READY, CLARITY: one matching loose trigger sprayer each (4 total). NOIR: supplied atomizer and protective overcap.

01 Clean and wash

Clean wheels and tires with RECLAIM at the label's 1:20 dilution; do not use at full strength. Agitate, then rinse thoroughly. Wash with ASCEND using 1-2 ounces in a clean 5-gallon wash bucket, on a cool surface out of direct sunlight. Wash from the top down, rinse and dry with a microfiber towel.

02 Detail or choose a separate refresh

Use RESTORE for dressing and CLARITY for glass, following their individual directions. For a separate quick refresh when a full wash is not practical, use READY: spray a premium microfiber towel and the soiled surface, wipe in one linear direction, refold to a clean towel face after each pass, then buff excess.

03 Use your selected fragrance

Finish with your selected NOIR - Black Glacier. Turn on the vehicle, set the A/C to maximum and recirculation, then spray under the glove compartment and above the pedals, 3-5 times per side depending on odor severity.

Customer-supplied tools. Wash bucket or foam cannon, wash mitt or soft brush, brush/sponge or low-pressure sprayer, clean water, microfiber and waffle-weave glass towels. Dilution containers are also customer-supplied.

Foam-cannon mixing: The foam-cannon label lists 2-3 oz without reservoir capacity. Contact us for equipment-specific mixing guidance.

Read each product's directions and handling precautions before use. Tools, towels and dilution containers are customer-supplied.

WEEKEND KIT - BALANCE - STRAWBERRY

Printable routine - scan for the full product directions

Your wash, refresh and scent routine

Five care products and your selected fragrance: BALANCE - Strawberry.

Included in this kit - 6 bottles · 5 × 16 FL OZ (473 mL) + 1 × 8 FL OZ (236 mL)

One each: ASCEND, RECLAIM, RESTORE, READY, CLARITY - 16 FL OZ (473 mL) per bottle.

One each: BALANCE - 8 FL OZ (236 mL) per bottle.

Dispensing hardware: ASCEND: supplied pour-spout cap. RECLAIM, RESTORE, READY, CLARITY: one matching loose trigger sprayer each (4 total). BALANCE: supplied atomizer and protective overcap.

01 Clean and wash

Clean wheels and tires with RECLAIM at the label's 1:20 dilution; do not use at full strength. Agitate, then rinse thoroughly. Wash with ASCEND using 1-2 ounces in a clean 5-gallon wash bucket, on a cool surface out of direct sunlight. Wash from the top down, rinse and dry with a microfiber towel.

02 Detail or choose a separate refresh

Use RESTORE for dressing and CLARITY for glass, following their individual directions. For a separate quick refresh when a full wash is not practical, use READY: spray a premium microfiber towel and the soiled surface, wipe in one linear direction, refold to a clean towel face after each pass, then buff excess.

03 Use your selected fragrance

Finish with your selected BALANCE - Strawberry. Turn on the vehicle, set the A/C to maximum and recirculation, then spray under the glove compartment and above the pedals, 3-5 times per side depending on odor severity.

Customer-supplied tools. Wash bucket or foam cannon, wash mitt or soft brush, brush/sponge or low-pressure sprayer, clean water, microfiber and waffle-weave glass towels. Dilution containers are also customer-supplied.

Foam-cannon mixing: The foam-cannon label lists 2-3 oz without reservoir capacity. Contact us for equipment-specific mixing guidance.

Read each product's directions and handling precautions before use. Tools, towels and dilution containers are customer-supplied.

WEEKEND KIT - JOY - COTTON CANDY

Printable routine - scan for the full product directions

Your wash, refresh and scent routine

Five care products and your selected fragrance: JOY - Cotton Candy.

Included in this kit - 6 bottles · 5 × 16 FL OZ (473 mL) + 1 × 8 FL OZ (236 mL)

One each: ASCEND, RECLAIM, RESTORE, READY, CLARITY - 16 FL OZ (473 mL) per bottle.

One each: JOY - 8 FL OZ (236 mL) per bottle.

Dispensing hardware: ASCEND: supplied pour-spout cap. RECLAIM, RESTORE, READY, CLARITY: one matching loose trigger sprayer each (4 total). JOY: supplied atomizer and protective overcap.

01 Clean and wash

Clean wheels and tires with RECLAIM at the label's 1:20 dilution; do not use at full strength. Agitate, then rinse thoroughly. Wash with ASCEND using 1-2 ounces in a clean 5-gallon wash bucket, on a cool surface out of direct sunlight. Wash from the top down, rinse and dry with a microfiber towel.

02 Detail or choose a separate refresh

Use RESTORE for dressing and CLARITY for glass, following their individual directions. For a separate quick refresh when a full wash is not practical, use READY: spray a premium microfiber towel and the soiled surface, wipe in one linear direction, refold to a clean towel face after each pass, then buff excess.

03 Use your selected fragrance

Finish with your selected JOY - Cotton Candy. Turn on the vehicle, set the A/C to maximum and recirculation, then spray under the glove compartment and above the pedals, 3-5 times per side depending on odor severity.

Customer-supplied tools. Wash bucket or foam cannon, wash mitt or soft brush, brush/sponge or low-pressure sprayer, clean water, microfiber and waffle-weave glass towels. Dilution containers are also customer-supplied.

Foam-cannon mixing: The foam-cannon label lists 2-3 oz without reservoir capacity. Contact us for equipment-specific mixing guidance.

Read each product's directions and handling precautions before use. Tools, towels and dilution containers are customer-supplied.

FRAGRANCE 3-PACK

Printable routine - scan for the full product directions

Choose your scent

Three fragrance choices, with one shared application method.

Included in this kit - 3 bottles · 3 × 8 FL OZ (236 mL)

One each: NOIR, BALANCE, JOY - 8 FL OZ (236 mL) per bottle.

Dispensing hardware: NOIR, BALANCE, JOY: supplied atomizer and protective overcap on each bottle.

01 Choose one scent

Choose one scent for this use: NOIR - Black Glacier, BALANCE - Strawberry, or JOY - Cotton Candy.

02 Set the A/C

Turn on the vehicle and set the A/C to maximum and recirculation.

03 Apply the fragrance

Spray under the glove compartment and above the pedals, 3-5 times per side depending on odor severity.

Read each product's directions and handling precautions before use.

FULL SEND KIT

Printable routine - scan for the full product directions

Choose the tasks your vehicle needs

Twelve products cover different jobs. You do not need to use every bottle at every wash.

Included in this kit - 12 bottles · 9 × 16 FL OZ (473 mL) + 3 × 8 FL OZ (236 mL)

One each: ORIGIN, ASCEND, CULTIVATE, RECLAIM, CLARITY, RESTORE, READY, PRESERVE, LEGACY - 16 FL OZ (473 mL) per bottle.

One each: NOIR, JOY, BALANCE - 8 FL OZ (236 mL) per bottle.

Dispensing hardware: ORIGIN, ASCEND: supplied pour-spout cap on each bottle. CULTIVATE: regular cap; no loose trigger sprayer. RECLAIM, CLARITY, RESTORE, READY, PRESERVE, LEGACY: one matching loose trigger sprayer each (6 total). NOIR, JOY, BALANCE: supplied atomizer and protective overcap on each bottle.

01 Choose one full-wash shampoo

Choose one full-wash shampoo: ORIGIN, ASCEND or CULTIVATE. Follow that product's bucket-wash directions: 1-2 ounces in a clean 5-gallon wash bucket, on a cool surface out of direct sunlight. Wash from the top down, rinse thoroughly and dry with a microfiber towel. Do not use CULTIVATE on oxidized paint.

02 Choose the separate care tasks

Choose the separate care tasks needed: RECLAIM for wheels and tires at the label's 1:20 dilution; RESTORE as a ready-to-use dressing; CLARITY for glass. READY is a separate quick-detailer and waterless-wash option when a full wash is not practical. Open each product's directions before use.

03 Choose a fragrance

Choose NOIR - Black Glacier, BALANCE - Strawberry, or JOY - Cotton Candy for fragrance. Turn on the vehicle, set the A/C to maximum and recirculation, then spray under the glove compartment and above the pedals, 3-5 times per side depending on odor severity.

Optional finish care

Optional finish care: PRESERVE is a ceramic-maintenance spray; shake well, apply to a clean, dry surface or a premium microfiber towel, spread evenly and buff with a second clean towel. LEGACY is a spray coating; shake well, apply to a clean, dry surface and clean microfiber, then buff on and off-no dwell time is required. Follow the directions for the product you choose; this guide does not prescribe layering finish products.

Customer-supplied tools. Wash bucket or foam cannon, wash mitt or soft brush, brush/sponge or low-pressure sprayer, clean water, microfiber and waffle-weave glass towels. Dilution containers are also customer-supplied.

Foam-cannon mixing: The foam-cannon label lists 2-3 oz without reservoir capacity. Contact us for equipment-specific mixing guidance.

Read each product's directions and handling precautions before use. Tools, towels and dilution containers are customer-supplied.
